Dear Mr. Koeppen:

Please consider this letter as a response to your two undated letters to me, received in our office on 10/10/01, regarding our 12 day pre-general report (10/1/00-10/18/00) and our 30 day post-general report (10/19/00-11/27/00).

We spoke by telephone on today's date regarding the fact that we had not filed FEC Form 1M, prior to making contributions in excess of \$1,000.00, based on the language on page 6 of the FEC Campaign Guide, which says that an SSF that is affiliated with a committee that has multi-candidate status is automatically qualified as a multi-candidate committee. As you know, we reported our affiliation with the United Food & Commercial Workers International Union Active Ballot Club in our statement of organization dated 8/10/00.

You explained that notwithstanding the Guide's indication that automatic multi-candidate status would be provided to a PAC such as ours, there was still a need to file FEC Form 1M. I am happy to comply. Enclosed is a fully executed FEC Form 1M filed on behalf of United Food & Commercial Workers Local 951 Federal PAC (UFCW 951 FED PAC).

Upon your receipt of the above referenced document, unless and until I am informed to the contrary by you or your designee, I will assume that the problems indicated in your letters to me are considered resolved to the satisfaction of the FEC.

Thank you for your cooperation in this matter.

Sincerely,

Joe Crump
